「量」の『形容詞』" much "と" a little " と" little "

)

< 不可算名詞 >

```
have much rain in June.
    We
         have a lot of rain in June.
    We
    We
         have some rain in July.
    We
         have a little rain in May.
                  little rain in December.
    We
         have
  "much"は「量」を表す形容詞であり、後ろには必ず名詞の『単数形』がくる。
  "a lot of "と"some"は「量」でも「数」でもどちらにも使うことができる。
  "a little"も「量」を表す形容詞だが、「少しの~」とあまり多くない量を示す。
   "little"も、「少しの~」と同じ量を示すが「少ししか無い」と、否定的に訳す。
1,次の英文の____線部の表している状態を、「~ある」「~ない」という表現で答えなさい。
  He had <u>no</u> money at that time.
                                                    )
  She drank <u>some</u> water after the game. (
                                                    )
  He has little time in the morning.
                                                    )
  I have much information about him.
                                                   )
  She didn't have any food for her sister. (
                                                    )
  I want <u>a little</u> coffee for breakfast. (
                                                    )
```

There is <u>a lot of</u> snow in Niigata. (
